Salary: TBA, National Minimum dependent on Age.

Job Type: Full-Time, Permanent

Qualifications: Driving Licence, Advantage.
Good GCSE or similar is an advantage, practical skills important.
Willingness, initiative and strong work ethic

Full Job Description:

Apprentice Job Description: We are a Plumbing and Heating Company providing services to domestic and commercial clients in Devon/Cornwall. We carry out servicing, repairs, maintenance, installation and reactive works.

We are looking for a hard-working person who is enthusiastic and committed, with good practical and co-ordination skills. Someone who takes pride in themselves and their work with A 'can do' attitude and good communication skills are required.

Skills Required: You will need to be a good team player who is able to work supervised and on your own initiative.
You will be required to have good communication skills, interpersonal skills, and the ability to show empathy and possess excellent time-keeping skills.

Personal Qualities: The company requires a practical, enthusiastic and hardworking individual with a genuine desire to learn.
The company are looking for someone with a positive, highly self-motivating, can-do attitude.

Responsibilities and

Duties: You will be assisting Plumbers, Heating Engineers and other trades involved within the business.
You will be learning new skills and putting these into practice within the business.

The exact tasks depend on the job, though all plumbers and heating engineers have the skills and knowledge to get the job done properly and safely.
